

Media Coverage of School Events - Parent/Guardian Permission

As part of our efforts to celebrate the achievements of our students and to promote the various educational, sports and cultural events that our students participate in, media partners are invited to the school throughout the year to cover these activities so that our good news and success stories can be shared with our school communities in local papers. As such, there is a very good possibility that your son/daughter may be identified either by name or in a photograph. **Please contact the school if you do not consent to your child having their picture published. If we are not contacted we will assume it is approved.**

There are other times when one of our media partners may contact the school to profile a specific student, program or event that may involve a student(s) being interviewed, photographed, video recorded and/or audio recorded. In these types of instances, it is our practice to request parent/guardian written permission prior to granting the media request.

Please also note that our school does not condone the uploading of audio or video files recorded at school and/or school-sponsored events to on-line social networking sites, such as Facebook and YouTube. All media requests, and subsequent contact with our students, are carefully considered before being approved. We do our best to ensure that the personal privacy of students is protected and respected. If you have questions related to the above information, please do not hesitate to contact the school.
